If, in the Company's reasonable opinion, the Company believes that the Customer's use of the Services has or may adversely affect such network integrity or may cause network degradation, the Company may change the Customer's chosen access rate or manage the Customer's Services as the Company sees fit in the circumstances.

5.4.9 To prevent spam from entering and affecting the operation of the Company's systems and the Fixed Network Services, the Company may take any reasonable measures or actions necessary to block access to, or delivery of, any e-mail which appears to be of an unsolicited nature and / or part of a bulk e-mail transmission. In addition any changes to the Broadband Acceptable Use Policy will be referenced in the invoice sent to the Customer with a link to the new Broadband Acceptable Use Policy.

5.4.11 The Customer acknowledges that, in order to use the broadband element (if any) of the Fixed Network Services, the Customer needs an existing telephone line (if not provided under the Contract) and a personal computer ("**PC**") of a minimum specification suitable for the application. The Customer is responsible for ensuring that compatible cables and extension leads are used to and from their telephone socket, modem and PC in order to use the Service.

Where the Company notifies the Customer of the occurrence of any such congestion or misuse, then the Customer shall immediately take all reasonable steps (which shall include, but not be limited to, arranging additional network capacity, adjusting the Customer's promotional activities or using call bureau, for the relevant period) to prevent such congestion and/or misuse continuing.

5.4.16 The Customer acknowledges that the Fixed Network Services are not designed to be a carrier interconnect and that the Fixed Network Services will not support diallers of any description.

- (c) wherever possible, alternative arrangements should be made by the Customer and a traditional PSTN telephone line maintained at each Site;

(d) the quality of a call made via VOIP is more akin to that experienced when making a call from a mobile network service to another mobile network service and this means that it is typically less than the quality experienced on a traditional land line;

(e) if the Customer uses the VOIP service to make Emergency Calls, the location information received by the emergency services will be limited to the installation address of the Site, which may not be the location from which the call originated, and as such the Customer may be required to provide information about the Customer's location to the emergency services to allow them to respond;

(f) Emergency Calls made using the VOIP service may fail if there is a power failure or connection failure;

(g) the ability for the Customer to make Emergency Calls cannot be guaranteed;

(i) the Customer's equipment used to access the VOIP Fixed Network Services requires mains power to make Emergency Calls.

5.6.2 The Customer shall not use the bandwidth allocated to the VOIP service for any other purpose other than making and receiving VOIP calls. Should this prohibition not be complied with it is likely that the quality and availability of the VOIP services shall be materially reduced.

The Company may set-off the Call Commission against any Charges or other amounts due to the Company. Where it is agreed the Company shall self-invoice, the Customer confirms that it shall not issue VAT invoices in respect of Call Commissions due to the fact the Company will be self-invoicing. For the avoidance of doubt, the Company shall not self-bill upon the cessation of the Customer's right to receive Call Commissions.

The Customer undertakes to inform the Company promptly in writing in the event of any change, reissue or cancellation of its VAT number or a transfer of any part of the Customer's business as a going concern.

(c) The Company shall not pay Call Commissions in respect of any call which it reasonably believes may have originated outside the United Kingdom.

(d) Call Commission shall not be payable on invoice balances of £10 or less (or such other sum as notified to the Customer by the Company in writing from time to time). Invoice balances shall not roll over from one month to the next.

(e) The Customer's Call Commission is a function of the number and duration of inbound calls to the relevant telephone number which will vary from day to day. Any predicted amount of Call Commission by the Company shall be an estimate only and the Customer acknowledges it has placed no reliance upon such estimate.

10.2.8 Except as stated otherwise in the Tariff or in an Order Form, for the purpose of calculating call charges:

(a) all call charges will be rounded up to the next whole penny;

(b) all call durations will be rounded up to the next whole minute;

(c) all calls will be charged based on the time band within which the call commences (irrespective of whether the call ends in a different time band), such that calls commenced from and including:

(i) 6:00am but before 6:00pm (Monday to Friday) will be charged at "Peak" call rates (as identified in the Tariff);

(ii) 6:00pm but before 6:00am (Monday to Friday) will be charged at "Off-Peak" call rates (as identified in the Tariff);

(iii) 6:00pm on a Friday but before 0:00am on a Saturday, will be charged at "Off-Peak" call rates (as identified in the Tariff);

(iv) 0:00am on a Monday but before 6:00am on a Monday, will be charged at "Off-Peak" call rates (as identified in the Tariff); and

(v) 0:00am on a Saturday but before 0:00am on a Monday will be charged at "Weekend" call rates (as identified in the Tariff).

10.2.9 Without prejudice to condition 10.2.2, the Company shall increase the Charges for the Fixed Network Services in the April immediately following the Effective Date by the increase (if any) in the Rate of RPI announced in February. For example, if the Charges for Fixed Network Services are £21 per month on the Commencement Date, and the Rate of RPI (for illustration purposes only) announced in February is 3.0%, the Customer's Charges will increase to £21.63 on the Customer's first April bill (i.e. $£21 \times 1.030 = £21.63$). If the following year's Rate of RPI was announced in February as 2.7% (for illustration purposes only), the Customer's Charges will increase to £22.21 a month (i.e. $£21.63 \times 1.027 = £22.21401$).

10.2.10 Without prejudice to condition 10.2.9, the Company may on not less than thirty (30) days' notice to the Customer, change the rates in any Tariff or price list, such change not to become effective during the Minimum Term of the Fixed Network Services unless the change arises due to:

10.2.10.1 a change in the costs to the Company due to a requirement or direction of OFCOM; and/or

10.2.10.2 a change in the costs charged to the Company by its suppliers.

10.3 MAINTENANCE SERVICES

10.3.1 Any invoices issued by the Company in respect of the Charges for Maintenance Services shall, save in the case of manifest error, be final, conclusive and binding on the Customer.

10.3.2 The Company shall have the right to alter the Annual Support Charge from time to time by giving the Customer not less than fourteen days' notice.

10.3.3 Without prejudice to condition 10.3.2, the Company may increase the Annual Support Charge in the April immediately following the Commencement Date by the increase (if any) in the Rate of RPI.

10.4 CONSULTANCY SERVICES

10.4.1 Save where, and to the extent that, any Promotional Terms apply, the Charges for Consultancy Services will be as stated on the Order Form and are exclusive of VAT or any other tax or duty payable.

10.4.2 The Customer shall pay to the Company the Charges for Consultancy Services in accordance with condition 11.4. Any invoices issued by the Company in respect of the

Charges for Consultancy Services shall, save in the case of manifest error, be final, conclusive and binding on the Customer.

10.5 VALUE ADDED TAX

All sums referred to under these Conditions, the Order Form, any Promotional Terms and any Service Specific Conditions are (unless otherwise stated) exclusive of Value Added Tax (VAT) and any taxes of a similar nature which may from time to time be introduced, which will be payable by the party paying the relevant sum at the rates in force at the date of the relevant invoice.

10.6 TEMPORARY SERVICES

If the Customer orders a temporary Service, the Company may charge the Customer for any supplementary charges incurred, plus the line rental (if any) in advance for the whole period of the temporary Service. Other Charges as detailed in the Contract still apply as appropriate.

10.7 DDSP SERVICES

10.7.1 One-time Charges for the DDSP Services are applied for initial Service set-up and also for Customer requests such as, but not limited to, service reconfiguration.

10.7.2 The monthly Charges for DDSP Services shall be imposed based on the number of lines and the bandwidth of those lines which the Customer is connected with. The bandwidth of the lines the Customer is connected with shall determine the amount of active protection included in DDSP Services over the Minimum Term.

10.7.3 If the Customer increases the capacity of the Fixed Network Services, either increasing an existing connection or adding a new connection within the estate the capacity of the DDSP Services shall increase in line and at additional cost. Additional Charges may be imposed for any period where the DDSP Services are provided over and above the Customer's bandwidth.

10.7.4 As noted above, and unless expressly stated otherwise in an Order Form, the DDSP Services shall immediately terminate, without liability for the Company, if for any reason the Company ceases to provide the connectivity element of Fixed Network Services to the Customer. Where the DDSP Services to any Sites are terminated in this way, the Customer shall pay to the Company an early termination charge which shall be calculated by multiplying the total number of months remaining in the Minimum Term for the DDSP Services for the affected Sites by the monthly Charges payable in respect of the DDSP Services for the affected Sites.

10.7.5 The Company shall have the right to alter the Charges for DDSP Services from time to time by giving the Customer not less than fourteen days' notice.

10.7.6 Without prejudice to condition 10.7.5, the Company may increase the Charges for DDSP Services in April of each year by the increase (if any) in the Rate of RPI announced in February. For example, if the monthly subscription charges for Fixed Network Services are £21 per month on the Commencement Date, and the Rate of RPI (for illustration purposes only) announced in February is 3.0%, the Customer's Charges will increase to £21.63 on the Customer's first April bill (i.e. $£21 \times 1.030 = £21.63$). If the following year's Rate of RPI was announced in February as 2.7% (for illustration purposes only), the Customer's Charges will increase to £22.21 a month (i.e. $£21.63 \times 1.027 = £22.21401$).

10.8 HOSTING SERVICES

10.8.1 The Customer shall pay to the Company the Charges for the Hosting Services in accordance with condition 11.5. Any invoices issued by the Company in respect of the Charges shall, save in the case of manifest error, be final, conclusive and binding on the Customer.

10.8.2 The Company shall have the right to alter the Charges for the Hosting Services from time to time by giving the Customer not less than fourteen days' notice.

10.8.3 Without prejudice to condition 10.8.2, the Company may increase the Charges for the Hosting Services in April of each year following the Commencement Date by the increase (if any) in the Rate of RPI announced in February. For example, if the Charges for Fixed Network Services are £21 per month on the Commencement Date, and the Rate of RPI (for illustration purposes only) announced in February is 3.0%, the Customer's Charges will increase to £21.63 on the Customer's first April bill (i.e. $£21 \times 1.030 = £21.63$). If the

following year's Rate of RPI was announced in February as 2.7% (for illustration purposes only), the Customer's Charges will increase to £22.21 a month (i.e. $£21.63 \times 1.027 = £22.21401$).

10.9 DAISY FRAUD GUARDIAN

10.9.1 The monthly Charges for the Daisy Fraud Guardian service shall be calculated based on the number and type of lines which the Customer is connected with by the Company.

10.9.2 As noted above, unless expressly stated otherwise in an Order Form (or otherwise agreed in writing by the Company), the provision of the Daisy Fraud Guardian service is dependent on the Company providing both the lines and calls in relation to which the service is to be delivered as part of the Fixed Network Services provided to the Customer pursuant to a Contract. If for any reason the Company ceases to provide both such lines and calls to the Customer, the Daisy Fraud Guardian service shall terminate with immediate effect in relation to those lines and calls without liability for the Company.

Where the Daisy Fraud Guardian service over any lines and calls is terminated in this way, the Customer shall not be entitled to any refund of any monthly Charges paid in respect of such service.

10.9.3 The Company shall have the right to alter the Charges for the Daisy Fraud Guardian service from time to time by giving the Customer not less than fourteen days' notice.

10.9.4 Without prejudice to condition 10.9.3, the Company may increase the Charges for the Daisy Fraud Guardian service in April of each year by the increase (if any) in the Rate of RPI announced in February. For example, if the monthly subscription charges for Fixed Network Services are £21 per month on the Commencement Date, and the Rate of RPI (for illustration purposes only) announced in February is 3.0%, the Customer's Charges will increase to £21.63 on the Customer's first April bill (i.e. $£21 \times 1.030 = £21.63$). If the following year's Rate of RPI was announced in February as 2.7% (for illustration purposes only), the Customer's Charges will increase to £22.21 a month (i.e. $£21.63 \times 1.027 = £22.21401$).

10.10 WIFI SERVICES

10.10.1 Save where, and to the extent that, any Promotional Terms apply, the Charges for the WIFI Services will be as stated on the Order Form and are exclusive of VAT or any other tax or duty payable.

10.10.2 The Customer shall pay to the Company the Charges for WIFI Services in accordance with condition 11.4. Any invoices issued by the Company in respect of the Charges for the WIFI Services shall, save in the case of manifest error, be final, conclusive and binding on the Customer.

10.10.3 The Company shall have the right to alter the Charges for the WIFI Services from time to time by giving the Customer not less than fourteen days' notice.

10.10.4 Without prejudice to condition 10.10.3, the Company may increase the Charges in April of each year following the Commencement Date by the increase (if any) in the Rate of RPI announced in February. For example, if the monthly subscription charges for Fixed Network Services are £21 per month on the Commencement Date, and the Rate of RPI (for illustration purposes only) announced in February is 3.0%, the Customer's Charges will increase to £21.63 on the Customer's first April bill (i.e. $£21 \times 1.030 = £21.63$). If the following year's Rate of RPI was announced in February as 2.7% (for illustration purposes only), the Customer's Charges will increase to £22.21 a month (i.e. $£21.63 \times 1.027 = £22.21401$).

11. INVOICING AND PAYMENT

11.1 EQUIPMENT

11.1.1 Unless otherwise stated on the applicable Order Form, a deposit equal to at least one half of the Price is payable by the Customer on the date of signature of the relevant Contract and the balance of the Price as defined in condition 10.1.1 is payable immediately upon Delivery (subject to condition 4.1.6). Any delay by the Company in invoicing the Price shall not relieve the Customer of its liability to pay for the same.

11.2 FIXED NETWORK SERVICES

11.2.1 Subject to condition 11.2.2, the Customer shall be invoiced monthly in arrears by the Company and shall pay the Charges by direct debit within ten days of the date of the invoice (unless otherwise expressly agreed with the Company and set out in an Order Form).

11.2.2 Line rental is payable quarterly in advance, unless expressly agreed in writing by the Company and set out on the Order Form.

11.2.3 Where the Company is notified by Phone-paid Services Authority that:

(a) any sums payable by the Customer to Phone-paid Services Authority or to any compensation fund or bond established by Phone-paid Services Authority have not been paid; and/or

(b) the Customer or any Information Provider is in breach of the Code;

the Company may withhold all sums due to the Customer until the Company has been notified by Phone-paid Services Authority that all such sums, fines, administrative charges or other sums payable to Phone-paid Services Authority under the Code have been paid in full or any breach has been remedied, and if requested by Phone-paid Services Authority the Company may pay such sums to Phone-paid Services Authority in settlement of amounts owed to Phone-paid Services Authority. In the event that amounts are paid by the Company to Phone-paid Services Authority to settle amounts owed by the Customer then such amounts shall be deducted from any amounts owed by the Company to the Customer.

11.2.4 Where the Customer is a Small Business Customer, then unless otherwise stated on the Order Form, in the event of any omission or delay by the Company in invoicing the Charges for Fixed Network Services (excluding DDSP Services and/or the Daisy Fraud Guardian service) in accordance with the relevant Contract ("**Delayed Charges**") the Company shall not be prohibited from invoicing the Customer (and the Customer shall continue to be liable to pay the Company) for Delayed Charges, provided that such Delayed Charges are invoiced no later than:

(a) the fourth monthly invoice after the month in which the Delayed Charges were incurred by the Customer (where the Customer is invoiced monthly for the applicable Charges); or

(b) the next invoice after the invoice on which the Customer should have been invoiced for the Delayed Charges in accordance with the Contract (where the Customer is invoiced quarterly or less frequently than quarterly for the applicable Charges).

11.2.5 Unless the Customer is a Small Business Customer (in which case condition 11.2.4 shall apply), any omission or delay by the Company in invoicing the Charges for Fixed Network Services shall not prohibit the Company from raising an invoice at a later date in respect of the same nor shall it relieve the Customer of liability to pay the same.

11.3 MAINTENANCE SERVICES

11.3.1 Unless otherwise stated in an Order Form, the Customer will pay the Annual Support Charge to the Company by direct debit (to such account as the Company may designate for that purpose) in advance of the relevant period as set out on the Order Form and shall pay any Additional Charges in accordance with condition 6.3.4.

11.3.2 Where the Company has agreed to raise an annual invoice for the Annual Support Charge, the Customer will pay such charge in advance of the Commencement Date and annually thereafter upon each anniversary of that date. Any delay by the Company in invoicing the Annual Support Charge and/or Additional Charges shall not relieve the Customer of liability to pay for the same.

11.4.1 Unless otherwise stated in an Order Form, the Customer will pay the Charges for Consultancy Services to the Company by direct debit (to such account as the Company may designate for that purpose) in advance of the relevant period as set out on the Order Form.

11.4.2 Where the Company has agreed to raise Charges for Consultancy Services annually, the Customer will pay the charge in advance of the Effective Date and annually thereafter upon each anniversary of that date. Any delay by the Company in invoicing the Charges for Consultancy Services shall not prohibit the Company from raising an invoice at a later date in respect of the same nor shall it relieve the Customer of liability to pay for the same.

11.5 HOSTING SERVICES

11.5.1 Unless otherwise stated in an Order Form, the Customer will pay the Charges to the Company by Direct Debit (to such account as the Company may designate for that purpose) in advance of the relevant period as set out on the Order Form.

11.5.2 Where the Company has agreed to raise the Charges annually, the Customer will pay the charge in advance of the Commencement Date and annually thereafter upon each anniversary of that date. Any delay by the Company in invoicing the Charges and/or Additional Charges shall not relieve the Customer of its liability to pay for the same.

11.6 WIFI SERVICES

11.6.1 Unless otherwise stated on the Order Form, the Customer will

pay the Charges for WIFI Services to the Company by direct debit (to such account as the Company may designate for that purpose) in advance of the relevant period as set out on the Order Form.

11.6.2 Where the Company has agreed to raise Charges for WIFI Services annually, the Customer will pay the charge in advance of the Effective Date and annually thereafter upon each anniversary of that date. Any delay by the Company in invoicing the Charges for WIFI Services shall not prohibit the Company from raising an invoice at a later date in respect of the same nor shall it relieve the Customer of liability to pay for the same.

11.7 If payment of any sum payable to the Company is not made on or before the due date, the Company shall be entitled to charge interest thereafter on such sum at either the rate of four per cent per annum above the current base rate of The Royal Bank of Scotland plc from time to time or, if higher, such rate as the Company would be entitled to claim under the Late Payment of Commercial Debts (Interest) Act 1998 (such interest being deemed to accrue from day to day and being compounded on the last day of each calendar month) from the due date until the date of payment whether before or after judgment.

11.8 Unless e-billing is not expressly excluded in an Order Form, invoices will be made available for download by the Customer and the Customer will be notified at the e-mail address set out on the Order Form that the invoice is ready for downloading. Where e-billing is expressly excluded in an Order Form, the invoice may be sent to the registered address of the Customer (or the address of the Customer) at an additional cost to the Customer as set out in the Tariff.

11.9 If the Company is unable, for whatever reason, to recover any sum due under the Customer's account within four days following the due date for payment, the Company reserves the right to forthwith suspend all or any of the Services.

11.10 If the Customer's account remains unpaid (in any part) the Company may require a security deposit of three times the average monthly invoice or payment in full for the next twelve months before the Company will reinstate the Service.

11.11 If the Customer's account remains unpaid (in any part) for a period of thirty days after the original due date for payment, the Services may then be terminated by the Company.

11.12 Without prejudice to the Company's other remedies, if the Customer's account remains outstanding for any reason after the original due date for payment, then:

10.11.1 the Customer will be charged an administration fee for each piece of correspondence in connection with the recovery of the overdue amount. The Company may also charge the Customer a fee where it suspends a Service for non-payment; and

11.12.2 the Company reserves the right to refer the outstanding account to a debt collection agency. If the Company instructs a debt collection agency to collect payment (including interest and late payment charges) on its behalf the Customer must pay the Company's costs payable to the agency, who will add the sum to the Customer's outstanding debt.

11.13 The Customer will ensure that the name of the account holder is the same as the name on the payment details provided.

11.14 If the Customer cancels an active direct debit instruction following the Effective Date, an additional administration fee of £4.95 (or such other amount as may be notified to the Customer by the Company from time to time) will be added to the monthly invoice until the direct debit instruction is reinstated. The Company also reserves the right to charge the Customer a direct debit cancellation fee at the Company's then applicable rate.

11.15 The Company may, without notice, withhold any payments due to the Customer under a Contract or any other agreement between the Company or any other member of its Group and the Customer if:

11.15.1 the Company has reason to believe the Customer is in breach of the relevant Contract; and/or

11.15.2 the Customer is (or the Company reasonably believes that the Customer is) conducting its business or using a Service illegally or unlawfully (including without limitation in breach of the Code or any OFCOM requirements) or for an illegal or unlawful purpose; and/or

11.15.3 the Company has received notice from another network operator that payment will be withheld in respect of calls and the Company has satisfied itself on reasonable grounds that such event has occurred. The Customer will not be entitled to any payment of Call Commission in respect of such calls; and/or

11.15.4 the relevant Contract is terminated for any other reason; and/or

11.15.5 the Company has reason to believe the Customer is insolvent or is likely to become insolvent

11.16 If any sum owed by the Customer to the Company under a Contract or any other contract with the Company is not paid by the due date, the Company may deduct this sum from any payment or credit due to the Customer under the relevant Contract or any other contract with the Company.

11.17 Payment of all sums due to the Company shall be made without any set-off whatsoever.

11.18 If the Customer intends to dispute any charge on an invoice, the Customer must do so in writing to the Company within fourteen days of the date of the invoice and provide the Company with all relevant information in support of the disputed charge. Where the disputed charge(s) amount to:

11.18.1 less than five per cent of the total charges listed on the invoice, the Customer will pay the full amount of the invoice; or

11.18.2 more than five per cent of the total charges listed on the invoice, the Customer must pay the remaining amount of the invoice that is not in dispute.

12. SITES

12.1 To enable the Company to fulfil its obligations under a Contract:

12.1.1 the Customer shall permit or procure permission for the Company, its agents, employees, representatives, sub-contractors and any other person(s) authorised by the Company to have reasonable access to the Site, Equipment, Supported Equipment and any other relevant telephone system and other equipment and shall provide such reasonable assistance as the Company requests. If the Company is refused access or prevented from accessing the Site, for whatever reason, it will be relieved from all of its directly related performance obligations under a Contract and shall have no liability to the Customer and the Customer shall hold the Company harmless in this regard. Further, the Customer shall be charged an abortive visit charge.

12.1.2 The Company will normally carry out work by appointment and during Normal Working Hours but may request the Customer to (and the Customer shall) provide access at other times. In the event that the Customer cancels, reschedules or misses any pre-arranged appointment, it shall be liable to the Company for any costs and expenses which the Company incurs as a result of such cancellation, rescheduling and/or missed appointment.

12.2 At the Customer's request, the Company may agree (at its sole discretion) to work outside Normal Working Hours and the Customer shall pay the Company's reasonable charges for complying with such a request.

12.3 The Customer warrants, represents and undertakes that there are adequate health and safety provisions in place at the Site, there is a suitable and safe working environment, and that the Customer holds third party public liability insurance with a level of cover of at least the minimum required by Law.

12.4 The Customer shall procure all consents, licences and permissions necessary from landlords or other third parties for the carrying out of preparation work, installation of Equipment and for the provision, use and operation of the Equipment, the Supported Equipment and/or Services at the Sites (save to the extent the Company has agreed in writing to do it). The Customer shall provide copies of such consents, licences and permissions to the Company upon request.

12.5 In the event that the Customer is not able to procure the necessary consent to provide the Services within ninety days from the Effective Date the Company will be able to terminate the relevant Contract forthwith by giving the Customer written notice without any liability. If the Customer has not managed to procure the necessary consents and the Company has commenced work the Customer shall, on request by the Company, refund to the Company the cost of all such work (including, without limitation, staff costs and equipment costs) at its then current rates.

12.6 The Customer shall provide the Company with the site and building plans (to include full details of all internal cabling runs) of the Sites and provide the Company with full details of all other services in the vicinity of the proposed works.

12.7 The Customer is responsible for making the Site good after any work undertaken by the Company at a Site, including without limitation replacing and re-siting items and for re-decorating.

12.8 If the Customer is moving a Site, the Company must be informed as soon as is reasonably practicable so that suitable arrangements can be made to transfer the

Customer's Services and Equipment. Unless otherwise requested, the Company, in addition to moving the Service and Equipment, will also endeavour (but cannot guarantee that it will be able, for example where the Customer moves to a different exchange) to retain the Customer's relevant existing telephone number(s). If the Company can transfer the Customer's existing number to the new Site the relevant existing Contract will continue under the same terms and conditions. If the Company cannot transfer the Customer's existing relevant number to the new Site, installation of a new line will be required at the new Site, or if the Customer requires any additional new lines, this will attract new line connection charges and a new Contract.

12.9 If the new installation or moving Site involves the visit of an engineer to facilitate the new installation, the Customer will be responsible for the costs incurred by the Company for the appointment of the engineer together with an administration fee in respect of any additional works required to be undertaken by the Company to complete the transfer of the Services and Equipment.

12.10 If the Customer moves Sites and leaves the Equipment and/or the Supported Equipment for the new owner/tenant, the Customer is required to inform them that the relevant Service will be discontinued if the Company is not contacted by the new owner/tenant within seventy-two hours for the purpose of entering into a new contract with the Company for such services and subject in any event to the agreement of such a contract.

12.11 If the Customer receives services from an alternative supplier at a new Site the Customer remains responsible for any contractual agreement the Customer has with such alternative supplier and for any liabilities the Customer may incur for terminating such agreement.

12.12 The Customer must identify asbestos contaminated areas at the Site prior to implementation and commencement of the works. In the event that the Company discovers asbestos contaminated areas at the Site then it will cease work until the asbestos is removed or the area is made safe for the works to resume. The Company shall have no liability for any delay which is as a result of asbestos contamination and the Customer shall hold the Company harmless in this regard. The Customer shall be responsible for the removal of all asbestos at the Site including the co-ordination of and all costs incurred in connection with the engagement by the Customer of a company which specialises in the installation of cables in asbestos contaminated areas.

13. LIMITATION OF LIABILITY

13.1 Save as expressly set out in these Conditions or a Contract, the Company makes no warranty in respect of the supply of Equipment and/or Services and all other terms, conditions and warranties which may otherwise be implied into a Contract by law or course of dealings between the parties are hereby excluded to the fullest extent legally possible.

13.2 Subject to condition 13.3 and 13.5, in no circumstances shall the Company's liability to the Customer arising under or in connection with a Contract (whether in contract, tort (including without limitation negligence) misrepresentation, breach of statutory duty or otherwise), including any liability arising from a breach of, or a failure to perform or defect or delay in performance of any of the Company's obligations under a Contract in any Contract Year exceed 110% of the Price and/or Charges paid in in respect of such Contract in the 12 months preceding that Contract Year and in respect of liabilities arising in the first Contract Year, the Company's liability shall be limited to £10,000.

13.3 Subject to condition 13.5, under no circumstances shall the Company be liable in any event under or in connection with a Contract and whether in contract, tort (including without limitation negligence) misrepresentation, breach of statutory duty or otherwise for any:

13.3.1 loss of revenue (whether direct, indirect or consequential);

13.3.2 loss of business (whether direct, indirect or consequential);

13.3.4 loss of, damage to, or corruption of data or software (whether direct, indirect or consequential);

13.3.5 loss of anticipated savings (whether direct, indirect or consequential);

13.3.6 loss of profits (whether direct, indirect or consequential);

13.3.7 liability of the Customer to third parties (whether direct, indirect or consequential); or

13.3.8 indirect, consequential or special losses; whether or not the Company knew or ought to have known that such losses or damages might be incurred.

13.4 Neither party shall be liable to the other party for any breach of contract, tort (including but not limited to negligence) misrepresentation, breach of statutory duty or otherwise caused by any reason outside the reasonable control or responsibility of that party including, without limitation, in respect of Fixed Network Services supplied by the Company, the failure of any Carrier to provide network capacity and/or connectivity (or any element thereof) to the Company on which it was reliant for the purposes of a Contract, any act of God, terrorist attacks, inclement weather, accidental damage, vandalism, failure or shortage or power supplies, flood, drought, lightning or fire, strike, lock-out, trade dispute or labour disturbance, any act or omission of Government, highways authorities, or other competent authorities.

13.5 Nothing in these Conditions excludes or restricts either party's liability for:

13.5.1 death or personal injury resulting from that party's negligence or its employees' negligence (while acting in the course of their employment);

13.5.2 any fraud, fraudulent misrepresentation or fraudulent misstatement;

13.5.3 any indemnity under these Conditions; and/or

13.5.4 anything for which the parties cannot at law limit or exclude their liability.

13.6 Subject to condition 13.5, the Customer agrees that any cause of action that it may have against the Company and/or any of its Group members (including, its (or their) affiliates, directors, officers, agents, consultants and employees) must commence within two (2) years after the cause of action arose, otherwise, the Customer's cause of action is permanently barred.

14. CUSTOMER'S INDEMNITY

14.1 Without prejudice to any other rights of the Company, the Customer shall indemnify, keep indemnified and hold harmless the Company against all costs (including without limitation legal costs and the cost of enforcement (on a full indemnity basis)) liabilities, claims, damages, direct, indirect or consequential losses (including without limitation, pure economic loss, loss of profits, loss of business, depletion of goodwill and like loss whether such losses are direct, indirect or consequential losses), expenses and/or judgments whatsoever, which it may suffer or incur, and arising from any:

a) breach by the Customer of any warranties, undertakings and/or representations given under these Conditions and/or any failure to comply with any obligations, responsibilities and/or liabilities of the Customer as set out in a Contract; and/or

b) injury and/or damage suffered or incurred by or to any of the Company's (or any of the Company's contractor's) employees and/or equipment whilst on the Site; and/or

c) infringement by the Customer (including, its affiliates, directors, officers, agents, consultants and employees) of any third party's Intellectual Property Rights.

15. SUSPENSION, TERMINATION AND CONSEQUENCES

15.1 SUSPENSION OF SERVICES

15.1.1 Without prejudice to any other right of the Company to suspend or terminate any or all of the Services under these Conditions, the Company may at its sole discretion elect to suspend forthwith provision of any Services until further notice without liability to the Customer having given the Customer reasonable notice either orally (confirming such notification in writing) or in writing in the event that:

(a) the Customer is in breach of a material term of these Conditions and/or the Contract and/or any other contract between the parties from time to time including but not limited to the Customer's failure to pay the Price and/or the Charges (or any of them) to the Company on the due date or to comply with the Broadband Acceptable Use Policy;

15.1.2 The Customer shall reimburse to the Company all reasonable costs and expenses incurred by the implementation of a suspension pursuant to condition 15.1.1, and the recommencement of the provision of the Services as appropriate, save in the case of a suspension pursuant to condition 15.1.1(b).

The Customer shall have the opportunity to create a snapshot backup of the data stored through the Hosting Services, and the Customer shall pay the Company the applicable charges for undertaking such a backup, in accordance with the Company's then current charges.

23.13 If any invalid, unenforceable or illegal provision would be valid, enforceable or legal if some part of it were deleted or modified, that provision will apply with whatever minimum modification is necessary to make it valid, enforceable and legal whilst still giving effect to the commercial intention of the parties.

23.14 Save where the context otherwise requires, in these Conditions a reference to a "person" shall include a company, body corporate, unincorporated association, state, governmental or statutory body or authority, and/or a partnership, as well as a natural person (as appropriate).

23.15.2 use any trademarks or identifying logos owned or licensed to any member of the other party in any manner.

23.16 Nothing in a Contract is to be construed as establishing or implying any partnership or joint venture between the parties, or as appointing any party as the agent or employee of any other party. No party shall hold out any other party as its partner or joint venturer. Except, and to the extent, that a Contract expressly states otherwise, no party may incur any expenses or negotiate on behalf of any other party or commit any other party in any way to any person without that other party's prior written consent.

23.17 Each party shall do and execute, or arrange and procure for the doing and executing of, any act and/or document reasonably requested of it by any other party to implement and give full effect to the terms of the relevant Contract.

23.18 A Contract constitutes the entire agreement between the parties and supersedes any prior agreement or arrangement in respect of its subject matter. Save in the event of fraud or fraudulent misrepresentation, neither party has entered into a Contract in reliance upon and nor shall they have any remedy in respect of, any representation or statement (whether made by the other party or any other person) which is not expressly set out in the Contract.

23.19 A Contract may be entered into in any number of counterparts and by the parties on separate counterparts, all of which taken together shall constitute one and the same instrument.
